Dear Ms Lawrence

Yarralumla Woolshed and Outbuildings

I refer to your email of 18 June 2013 requesting clarification of the boundary of the nomination of Yarralumla Woolshed and Outbuildings to the ACT Heritage Register.

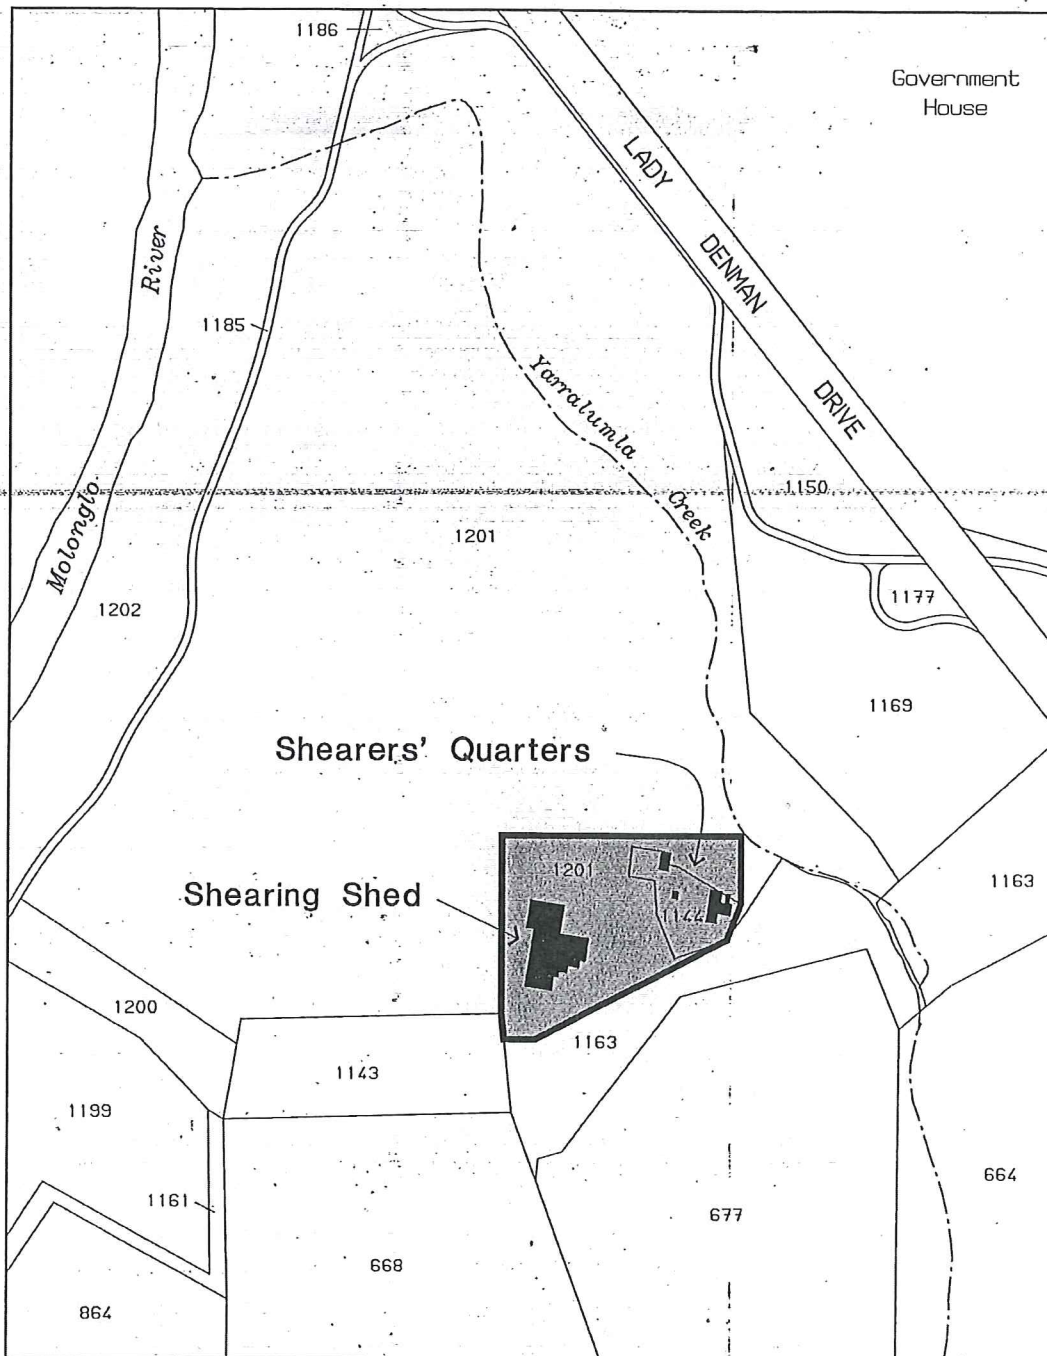

I note that the extent of the nomination is as shown in the attached plan labelled "Area proposed for inclusion in an interim Heritage Places Register". Until the Heritage Council agrees to progress the nomination to a provisional registration, this boundary should not change. If the nomination proceeds to provisional registration the provisional registration will be placed on public consultation. This will provide an opportunity for comment on the proposed boundary of the provisional registration, whether or not it differs from the boundary of the nomination.

In consideration of this, the Heritage Council raises no objection to works on Block 1201 Weston Creek that are proposed outside the boundary of the place as nominated and that are consistent with the ongoing use of the place for the activities of the ACT Equestrian Association.

Yours sincerely

Jennifer O'Connell
