

An aerial photograph of a highway interchange. A multi-lane highway runs diagonally from the bottom left towards the top right. A road branches off to the left from the highway. Two gates are marked on this branching road: an 'Existing Gate' marked with a green line and a 'New Gate' marked with a purple line. Both gates are indicated by a red dot. The area around the gates is filled with green trees. The highway has several lanes with white lane markings and a concrete barrier on the right side.

Existing Gate

New Gate
