# COOMBS PATH WORKS STAGE 2 – CONSTRUCTION UPDATE

The Coombs Stage 2 path works will be under construction for the period February 2020 through to September 2020. Works will include sealed and gravel paths, picnic benches, a river lookout, a basketball hoop, gabion walls, rain gardens and new pedestrian entry points.

To enable construction to occur safely, temporary fencing will soon be put in place along the length of Annabelle View and Harold White Ave.

During the works:

- North/south access between Coombs Peninsula and Harold White Avenue is via Annabelle View (either on-road cycling or using the pedestrian footpaths)
- There is no access to Southwells Crossing during the construction period
- There is no north/south equestrian access through the site during the construction period.
